

# CURRENT PROMOTIONS

## ***“In To Bat for Battens”***

Please consider how many bats you might be able to sell for the next Awareness Day, and then we shall order the required amount. The price is \$7 per bat.

## ***“Posters for Awareness Day”***

Let's try and have these posters in as many businesses, hospitals, McDonalds Restaurants etc. Make a list of how many you may need for next Awareness Day and we shall have them printed.

## ***“Donation Tins”***

Tins can be labeled specifically to your situation and come with instructions for Bank depositing. This is a great counter fundraiser and can be ordered at any time. Can you think of any local businesses that you could approach?

## ***“Josh's CD”***

One of our families' children, Joshua Ward of Queensland, has written and had produced a CD where all proceeds go to the Battens cause. Please support his efforts, the cost is \$10.
