

The Battling Battens Team

walked the 12kms (some even ran) through sunshine and rain but with much support from our kind sponsors.

Our team consisted of 9 adults and 5 kids (not all here in the photo). We are pleased to say that we over doubled our team goal with a grand amount of \$4900.

Some special thanks to: -

** To Mackenzie-Rose Foster for being team representative of children with Battens and her mum & aunty for their extra strong calf muscles up those hills

*** Our team had a pigd-piper (Phil) and his trusty followers: Liamh, Jessz, Cody and Camron who carried out many days of street collections before, finding sponsors and collecting on the day – together they raised over half of the total . *Here is Phil with his trusty battens bucket collecting from locals.....* They were our Everyday Heroes - Thanks guys !!

**** Jon at Fing for helping design our team shirts, allowing us to create awareness in the crowd of 70,000 persons.

Thanks everyone and we look forward to seeing you cross the finish line on the Battling Battens team next year.....
